RECOGNITION

Featured in the **SMITHSONIAN AMERICAN ART MUSEUM** as part of the "No Spectators: The Art of Burning Man" exhibit at the Renwick Gallery from March 2018 to January 2019.

Nominated for his work by **2002 WEBBIE AWARDS** for BurningMan.com

To effectively implement the most creative solutions, I believe we have to play in more than one sandbox. Creativity doesn't sit comfortably in one place.

To succeed, I have diversity of skills and experience: visual design (product & brand, interactive & production, web), user-experience, front-end web dev and video production/editing.

In my career I have worked in a assortment of businesses environments including startups, e-commerce, non-profit, marketing & advertising, and for companies like...
